

Terms and Conditions

If a Student Visa is refused by the Home Office, Embassy or Port of Entry:

1. Accommodation costs and rent deposit are not refunded.
2. All fees paid, less £200.00, will be refunded. The student will have to show the original letter of refusal from the Home Office or Port of Entry. This must be received before the course is due to start.
3. If a visa is refused due to bad attendance, fees paid are non-refundable.
4. Fees are non-refundable or transferable under any other circumstances, apart from section 2 above.
5. When a student enrolls on a course, this forms a contract with the college. This contract cannot be cancelled without the agreement of Golders Green College. The College will keep all or part of fees paid to help pay for costs incurred. Students must tell the college before they enrol if they have been refused a visa in the past.
6. If, in the opinion of the British Embassy, a student is not bona fide or genuine, all fees paid will not be refunded.
7. Golders Green college reserves the right to choose to close classes and offer students an alternative study time, should it be necessary.
8. If students do not attend class without informing the College for a period of four weeks or more, all fees will be forfeit and the student's place at the college will be withdrawn. If the student is in the UK on a Student Visa, the college will inform the Home Office of non-attendance.
9. The College offers insurance that covers reimbursement (return) of fees if the student or a close relative is taken ill. This also covers other health issues. This insurance is **strongly recommended** and can be purchased through www.course-u-can.com If a student does not take out this insurance and is taken ill or has to leave the College due to illness in the family or any other reason, fees will not be returned.
