Welcome to Golders Green College

1. Social Programme

Come with us and visit museums, galleries and other interesting places in London. We usually go in the afternoon from 13.00-16.00. In the summer we organise weekend trips to places outside London such as Cambridge and Brighton. We also go on trips to the theatre.

You can also visit places outside London with a company called Universal Student Tours. They organise trips for students from lots of different schools. Please look at our notice board next to Room 16 for more information.
